Ever wondered what to do with out of date, non-usable propane grill tanks? In an effort to help those less fortunate heat their homes, Northwest Energy will accept any non-usable grill tanks at any of its 13 locations in eastern Michigan for recycling. All proceeds received from recycled grill tanks will be donated to the Salvation Army with distributions made to propane home heating assisted individuals and families in Michigan. Proper grill tank recycling has a positive impact on our environment and fosters the safe handling of propane use.

Northwest Energy...your good neighbor propane provider.
